Apartment in Malaga

€180,000

0	1	36m²	N/A	N/A

Studio apartment in Málaga, on the ever-popular Calle Olletas, just moments from the historic center. Fully renovated kitchen and bathroom - ready to move in, or to start renting from day one.
The stand-out feature: this property comes with an active tourism license (VFT) - something that is now almost impossible to obtain in Málaga due to the city's recent restrictions on new licenses. That single detail makes this studio a genuinely rare piece of stock.
Whether you're looking for a high-yield short-term holiday rental, a long-term student let (Universidad de Málaga and several private colleges are within easy reach), or a compact city pied-à-terre in one of Spain's fastest-growing markets -...(Ask for More Details!)
