Refurbished apartment with sea views in Torre Real, Marbella
Located on the fourth floor of the Venus I building, within the renowned Torre Real urbanization, this apartment offers a very attractive combination of tranquility, good views and proximity to Marbella and the sea.
The house currently has two bedrooms and two full bathrooms, recently updated. The kitchen has been completely renovated and is equipped, open, with a practical and comfortable distribution for day to day.
One of the most outstanding spaces of the property is its large terrace, enclosed with the LUMON
