Immaculate, never rented and in an exceptional condition - a unique opportunity.
Located in the prestigious "Majestic Gardens development" in Casares Costa, just moments from the renowned Finca Cortesin, this elegant two-bedroom apartment offers a combination of space, privacy, comfort and exceptional surroundings, and views across the valley to a golf course.
One of the property's most important features is that it has never been rented out. It has been privately owned and exceptionally well cared for from day one. The apartment is presented in pristine condition. It offers the opportunity to acquire a property that has been preserved as a private residence rather than being exposed to holiday rental use.
