Country House in Casarabonela

€425,000

3	1	171m²	5,080m²	N/A

There are spaces where time stands still and silence becomes the true protagonist. Nestled on the periphery of Casarabonela, one of the most charming inland villages of Málaga, this property offers a peaceful refuge where disconnection meets closeness. Leaving the asphalted road behind, a comfortable 50-meter gravel path leads directly to the estate, to your new home surrounded by nature, quiet, secure, and private.

The house, entirely renovated with high-end, practically brand-new materials, combines design and functionality. Its living room with a fireplace and open kitchen create a warm and fluid environment, the authentic heart of a home designed to be enjoyed all year round. The bedrooms, completely
