Spectacular New Build Apartments in Rio Park, Mutxamel

Sea Views, Nature and High-Efficiency Construction

Located in the exclusive area of Rio Park, Mutxamel, these new build apartments combine contemporary design, sustainability and maximum comfort in a privileged natural setting with stunning sea and mountain views.

With delivery scheduled for 2026, this project has been conceived to offer modern, efficient homes filled with natural light-all of them corner units-ideal for those seeking quality of life just minutes from the coast.
