MODERN LUXURY VILLA WITH PRIVATE POOL AND ENERGY SELF-SUFFICIENCY IN LA DUQUESA

We present this magnificent detached villa in La Duquesa, built in 2021 on a 609 m² plot and featuring a contemporary design that combines functionality, spaciousness, and high-quality finishes. The home offers 3 spacious bedrooms and 3 full bathrooms; although originally designed with 4 bedrooms, there is the possibility of easily restoring the fourth bedroom should more space be required. The master bedroom is particularly notable for its two large walk-in closets, providing excellent storage capacity.
