Town House in Estepona

€710,500

3	3	200m²	N/A	N/A

Wonderful semi-detached house located in one of the urbanizations of the city, it consists of three bedrooms with two bathrooms and a toilet, a large living room facing south so it is sunny all day, it consists of an interior Andalusian patio and on the other hand an entrance where you can store your car and motorcycle, or convert it into another Andalusian patio, it has a 50-meter open basement where you can have your study or games room, a house from an older couple, where they have practically had use, and that is demonstrated in the qualities of the shiny walls and floors, URGENT!!!
