NEW BUILD VILLAS WITH SEA VIEWS IN LA CALA DE MIJASStarting from the traditional silhouette of a house, the primordial pentagon, the design team has evolved these geometric lines to create a symbiosis with the existing vegetation, establishing a continuous dialogue with nature, its energy and its movement.This is how the central axis that configures the traditional sloping roof of the house breaks and moves one of its edges, dancing to the rhythm of the wind breeze. This generates a distinction between each villa, creating a unique skyline on the Costa del Sol.Under the philosophy of "Less is More", the design conveys the search for pure, elegant and gentle lines.Materials...(Ask for More Details!)
