Plot with contemporary villa project in Torrequebrada - Approved building licence

Urban plot of 611 m² in Torrequebrada, Benalmádena, with a contemporary villa project and approved building licence. Ready to start construction.

The project has been specifically designed to take advantage of the natural slope of the plot, the panoramic views and the Costa del Sol climate.

The projected villa offers approximately 450 m² of built area, distributed over several levels connected by lift, with more than 200 m² of terraces and the possibility of configuring up to 6 bedrooms.
