Take a look at this new spacious middle-floor apartment, located in the Center of Fuengirola and is listed for €675,000. The property offers plenty of room, featuring four bedrooms, three bathrooms, and a total build size of 186 square meters. Its highly convenient location means you are close to the sea, the port, local shops, and a commercial area with restaurants right below you.

Inside, the home has a comfortable and modern feel with industrial hints and wood flooring throughout the rooms. The main living area includes a cozy lounge space with grey sofas and a large wooden dining table set under a unique hanging light fixture. This open living space...(Ask for More Details!)
