Beautifully renovated and upgraded Townhouse with an elevator connecting all floors, located in one of the most prestigious areas, El Paraiso. Situated on a hill, this property offers stunning sea and mountain views, where the different levels and terraces give an opportunity to enjoy the sun during the day and some shade in the afternoon.

Inside, the kitchen has been opened up and gives a nice flow into the living room and the outside area. The property has been upgraded with beautiful tilings, marble floors, new railings and a brand-new gas fireplace in the living room. The upper floor includes two on-suite bedrooms with upgraded bathrooms, and the generous master bedroom...(Ask for More Details!)
