Located in Cancelada, Estepona, this home offers a comfortable and functional layout, ideal for everyday living. It features three bedrooms with closets, including the master bedroom, which has a walk-in closet. It also has a full bathroom and a half-bath, a practical combination for families or for entertaining guests.

The kitchen is separate and includes a utility room, providing additional space for laundry and storage. The living room opens onto a pleasant private terrace, perfect for enjoying year-round. It is equipped with a solid wood pergola, an awning, and two spacious aluminum cabinets, offering both shade and extra storage space.
