Spacious apartment with balcony and nice light in Mutxamel Here we offer a generous and well-planned apartment in a quiet and pleasant area of Mutxamel, where light, space and function are at the center. A home that is perfect for both family life and those looking for plenty of space in a comfortable environment.

The home has approximately 122 square meters of built area with a living area of approximately 108 square meters, divided into three bedrooms and one bathroom. The floor plan is well thought out and provides a natural division between social areas and more private rooms.

The living room is bright and spacious, with direct access to the balcony...(Ask for More Details!)
