N/A

A versatile country home in picturesque Pinoso (Alicante) that seamlessly combines off-grid living, modern comfort, and the Mediterranean lifestyle. Set on a plot of over 11,700 sqm (approx. 3,500 sqm fenced), this spacious finca ensemble offers ample room for family, guests, and hobbies.

Highlights of the Property

- Utilities & Water: Connected to both mains drinking water and agricultural water for ultimate convenience and garden irrigation.
- Hybrid Power Supply: High-quality Victron Energy solar power system with storage for complete energy independence, as well as being connected to mains electricity (just in case).
