About the area: Murcia region in southeastern Spain is a major producer of fruits, vegetables, and nuts. Almond trees are particularly important, as Murcia's dry, warm, Mediterranean climate, and fertile soil are ideal for their cultivation. The region is one of Europe's leading producers of almonds, contributing significantly to both local and international markets.
About us: We have a large portfolio of properties in the Costa Blanca and Costa Calida areas, specialising in country properties, villas, fincas, building plots and design and build options in the Alicante and Murcia regions with a particular emphasis on Elda, Monovar, Pinoso, Sax, Villena,
