Country House in Jumilla

€75,000

6	2	299m²	1,063m²	N/A

Property OverviewThe property is distributed over two floors and consists of two clearly differentiated sections. Approximately 100 m² of the house is carved directly into stone, forming a traditional Spanish cave home. These cave spaces maintain a naturally stable temperature throughout the year, remaining cool in summer and warm in winter. The larger attached section is conventionally built and expands the total living space. Layout and FeaturesThe house is arranged over two independent levels, each with its own entrance, allowing the property to be divided into two separate living units if desired. This adds significant flexibility for rental potential or multi-family use. Inside, the property includes:
