An elegant flat with picturesque views of the sea, the Altea coastline and the surrounding mountains, situated on the third floor of an intimate, gated complex in Altea Mascarat.

The flat is situated in a well-maintained complex built in 2006, surrounded by beautifully landscaped gardens, with two large swimming pools and relaxation areas. One of the property's greatest assets is its exceptional location - just a few steps from the sea and the beach, as well as the prestigious Greenwich Campomanes marina, which boasts excellent restaurants and atmospheric lounge bars. The property is in excellent condition, almost as good as new, and has been finished with attention to every detail. The living...(Ask for More Details!)
