A wonderful property located in one of Marbella's most up-and-coming areas: Nueva Andalucía. This rapidly growing neighborhood is increasingly sought-after thanks to its excellent transport links, wide range of amenities, and everyday convenience.

Upon entering, you are greeted by spacious, well-maintained, and inviting living areas. The property is being sold unfurnished.

The layout features three bedrooms-ideal for families or for those requiring extra space for guests, a home office, or a workspace. There are two full bathrooms: an en-suite in the master bedroom (equipped with a shower) and a second bathroom featuring a bathtub.
