They always say location is everything-and honestly, it doesn't get much better than this. Here's your shot at owning a one-bedroom apartment just a stroll from the beach, smack in the center of Fuengirola. The place comes with a tourist license, so it's all set for short-term rentals if you want to make a smart investment. And hey, there's your own private terrace-picture yourself unwinding with a glass of Rioja, soaking up the city vibe.

Walk in and you're welcomed by a bright hallway. The bathroom? Feels fresh and a bit fancy, with a pedestal sink, a roomy walk-in shower, and a WC. The main living area is open and full...(Ask for More Details!)
