Modern townhouse with three bedrooms and private roof terrace in charming town Welcome to this spacious and well-planned townhouse in popular Los Alcázares, one of the Costa Cálidas' most popular coastal resorts. With 172 built square meters, three bedrooms and two bathrooms, the home offers generous spaces for both permanent living and holiday living on the Mar Menor.

The house has a well-thought-out floor plan where the social areas invite you to a comfortable everyday life while providing plenty of space for family and guests. The living room and kitchen interact in a natural way, creating a pleasant atmosphere with space for both relaxation and socializing.
