For Sale Mango Finca in Sayalonga, Málaga

Exceptional mango finca set in a peaceful countryside location just outside Sayalonga, offering an established mango plantation, spacious three-bedroom country house, extensive water resources, solar power and spectacular sea and countryside views.

The property extends to almost 24,000 m² and has approximately 1,500 established mango trees, with current predicted production of around 15,000 kg, potentially increasing to approximately 20,000 kg as the plantation matures.

The finca benefits from an extensive irrigation system and approximately 2.5 million litres of water
