Character-Filled Detached Villa with Private Pool and Two Independent Apartment

Situated in a peaceful residential area of Marbella East, approximately 800 metres from the beach, this distinctive detached villa offers generous living space, privacy and excellent flexibility. Originally constructed in 1969, the property combines traditional Andalusian architectural character with modern comforts, making it an attractive option for family living or investment.

Set on a substantial 1,425.60 m² plot, the property offers a reported constructed area of 470 m², with eight bedrooms and eight reported bathrooms distributed across the main residence and two independent apartments. Its established gardens, mature trees and spacious outdoor areas create a
