Located in the very centre of Pinoso, on a street surrounded by all amenities, this large corner property of 380 m² offers outstanding potential to be completely renovated and transformed into a unique project.

Spread over two floors plus an attic, the property includes a commercial unit with its own independent entrance, ideal for converting into a business space, restaurant, café or boutique shop. It also has two separate entrances - one for the commercial premises and another for the main house, allowing both areas to remain independent or to be easily connected depending on the new owner's plans.
