Discover this exceptional finca located just 3,9 km from Albatera. The property features a 70-square-meter house including three bedrooms, a storage room, and a swimming pool in need of renovation ???. Enjoy the outdoors in the 500 m2 private garden next to the barbecue area ???. Furthermore, it is situated on a square plot of over 14,000 m2 currently hosting an active verna lemon plantation ?; last year it generated €20,000 in income thanks to its agricultural production, and this year promises to be even better! The estate also features an automatic drip irrigation system ? to optimize water resources. It is worth noting that there is legally authorized potential...(Ask for More Details!)
