Turnkey Investment: Refurbished 2-Bed, 2-Bath Apartment with Tourist Licence - Parque Botánico, Benahavís

A holiday-rental business that is already running on the Costa del Sol. You can take bookings from the day of completion.

A fully refurbished two-bedroom, two-bathroom apartment, sold fully furnished and equipped, with a registered tourist licence. New licences are increasingly restricted in Andalusia, so a flat with an existing licence and a solid rental track record is hard to find.
