CONTEMPORARY VILLA IN CUMBRES DE ELVIRIA, MARBELLA

Completed in September 2026, this contemporary villa offers four bedrooms with en-suite bathrooms, a private garden, a heated swimming pool and a lift connecting all levels, from the garage to the rooftop.

The main floor brings together the living room, dining area and open-plan kitchen in a bright space with large windows and direct access to the terraces and garden. Double-height spaces enhance the sense of openness and allow natural light to flow through the home. Two of the bedroom suites are on the upper floor, each with a walk-in wardrobe.
