Charming terraced house in the Nueva Torrevieja area with 71 m² built and a 23 m² plot. The property has two bedrooms and one bathroom. On the ground floor there is a welcoming living room with plenty of character, an independent equipped kitchen and a dining area; from this floor you access a small private plot that serves as a garden/outer terrace. This is a house with no neighbours above (ground-floor dwelling of a terraced house), ideal for those seeking comfort and their own outdoor space to enjoy Torrevieja's climate. The style and current finishes are practical; the house offers possibilities to update it to the buyer's taste and adapt...(Ask for More Details!)
