Centenary rustic estate with panoramic sea views and over 120,000m² of land in Benissa (Alicante). For those seeking absolute privacy, untouched nature, and a truly exceptional location, we present this unique rustic estate located in the Pinos area (Benissa), in a protected environment where the conservation of the landscape and the exclusivity of the enclave are guaranteed.

The property boasts over 123,000m² of agricultural land, mostly planted with almond trees, and offers stunning panoramic views of the Sierra de Bernia, the valley, the Mediterranean Sea, and the Calpe skyline.

The estate has two registered structures, both in need of complete renovation:
