Bright south-facing penthouse in the heart of Benalmádena Pueblo

Imagine starting your day on your own terrace with a view that stretches from the snow-capped peaks of Sierra Nevada on your left all the way to the Rock of Gibraltar on your right. This two-bedroom penthouse sits right in the heart of Benalmádena Pueblo, one of the most charming villages on the Costa del Sol, and the views from the 15 m² south-facing terrace are truly something special.

Everything you need is within walking distance. The village is full of restaurants, cafés and local shops, and you have good bus connections down to the beach and to Málaga Airport.
