Incredible opportunity in Manilva village, this is a historical house in the village, built in 1991, only one family has ever owned this. It is a huge property with heaps of potential, it needs some loving, you get a total of 244m² built property over two floors, The first floor has a terrace west facing and the second floor east facing with incredible mountain views of manilva, casares, estepona. Then you can go up to the solarium of 122m², with 360 degrees view, it is something spectacular and gives a great feeling of freedom, those who are artistic will feel at home in this property. Then what are we missing,...(Ask for More Details!)
