Exclusive semi-detached villa in Riviera del Sol, set within a charming and, well-maintained residential community where privacy, comfort and a pleasant environment come together perfectly. The property, with a floor area of 150 m² plus 25 m² of terraces and a porch, is spread over two floors and comprises four spacious bedrooms, two full bathrooms and a separate toilet. The rooms are notable for their brightness, spaciousness and high-quality construction, which conveys a sense of solidity and comfort in every room. Both floors are equipped with central heating. One of its standout features is the impressive outdoor area: a 325 m² private garden that truly transforms this home into a private oasis....(Ask for More Details!)
