Country estate with two houses and two casitas near Pinoso

This country estate with two houses near Pinoso is situated in the rural surroundings of Yecla, among almond groves, olive groves and vineyards. The property consists of two adjoining country houses, two detached casitas and a plot of 9,279 m². With a total of 5 bedrooms, 1 bathroom and approximately 260 m² of living space, the estate offers numerous possibilities. In addition, there is a garage, several outbuildings and existing facilities for keeping animals. Thanks to its layout, the property is particularly interesting for large families, multigenerational living or buyers looking for a renovation project.
