Spectacular 4B Duplex Penthouse with Sea Views in Hacienda Elviria, Marbella

Set in an elevated position within the sought-after gated community of Hacienda Elviria, this spectacular duplex penthouse enjoys breathtaking panoramic views of the Mediterranean Sea, the African coastline and the surrounding mountains. From the moment you step inside, the impressive sea views create an immediate sense of space and exclusivity, complemented by generous interiors, exceptional outdoor living areas and a privileged location in the heart of Elviria.

A particularly distinctive feature is the private, key-operated lift, which provides direct access from the underground garage to the apartment, offering an exceptional level of convenience and privacy.
