Renovated apartment in Puerto Banús with panoramic sea and harbor views

Enjoy a privileged location in the heart of the Puerto Banús marina, with the Mediterranean as the centerpiece and luxury boutiques, restaurants, and a wide range of leisure options at your fingertips. Recently renovated with high-quality materials, this apartment combines elegant contemporary design with a layout that makes the most of every space. The open-concept living room, featuring wood paneling and integrated LED lighting, connects directly to a terrace from which to contemplate the magnificent views of the sea and the harbor.

The kitchen is equipped with Gaggenau appliances. Its three bedrooms, each with an en-suite
