Villa in Vinuela

€1,675,000

7	4	607m²	5,001m²	N/A

Lake Viñuela and the mountains beyond form the backdrop to this renovated Andalusian villa, arranged as a main home and a self-contained apartment at garden level. For a large family, different generations living together or friends who visit often, the layout offers space to share everyday life while keeping a degree of independence.

White façades, tiled roofs and shaded terraces retain the house's Andalusian character. Inside, wooden floors sit alongside marble, while black-framed glazed doors bring a contemporary, slightly industrial detail to the warm, natural interiors.

The main floor centres on a generous open-plan kitchen with a large island, a dining area and a
