Apartment in Pilar de la Horadada €285,000

2	2	64m²	N/A	N/A

A new residential concept where contemporary architecture, natural light and outdoor spaces come together with the Mediterranean lifestyle.
This is a residential development comprising 24 homes across three buildings, with two- and three-bedroom options, in Pilar de la Horadada.
A concept that combines contemporary design, bright interiors and private outdoor spaces, allowing you to enjoy your home in a more open and natural way.
Its different property types offer options for different lifestyles, with terraces and patios in the ground-floor homes and private solariums in the upper-floor homes.
