Located next to La Capellanía, just five minutes from the charming Benalmádena Pueblo and directly beneath the iconic Buddhist Stupa in Retamar, this exceptional single-level villa has been designed by one of Spain's most award-winning architects. Every line and detail has been carefully considered to blend contemporary design, supreme comfort, and a view that can, without exaggeration, be described as one of the very best in the entire area. From the living spaces, sun-drenched terraces, and the impressive 148 m² rooftop terrace, the panorama unfolds - the Mediterranean in all its splendour, the coastline of Fuengirola, and the gentle backdrop of the mountains.
