3,102m<sup>2</sup>

This exceptional countryside property is set on a generous 11,200m<sup>2</sup> plot, offering multiple indoor and outdoor living areas designed to enjoy the climate and surroundings year-round, including a spacious main residence, guest accommodation, and a separate chalet. A long paved driveway provides ample parking and wraps around the property, leading to the lower level, pool area, and additional buildings, all surrounded by mature gardens with an automatic irrigation system. The main house features a welcoming entrance hall with guest toilet and utility room, a spacious en-suite bedroom with garden views, and a bright open-plan living area with a large kitchen island and granite worktops. A stunning sunroom showcases panoramic sea and countryside...(Ask for More
