We are proud to present this luxurious ground-floor apartment, located within an exclusive gated and secure community renowned for its abundance of swimming pools and beautifully maintained green spaces.

The apartment comprises two spacious bedrooms and two modern bathrooms and is presented to an immaculate standard. Designed for year-round comfort, the property benefits from underfloor heating throughout, while both the master bedroom and the lounge enjoy stunning sea views, creating a bright and relaxing living environment.

The community offers an exceptional lifestyle with four communal swimming pools, including a
