Eco Residences in Llíber, Costa Blanca North

In the heart of the Vall de Pop, as a place where nature and architecture merge to create a unique lifestyle.

Here, surrounded by vineyards, mountains, and charming villages, lies a development that reinterprets Mediterranean tradition with contemporary, sustainable design, offering each resident the opportunity to live in harmony with the landscape.

The infrastructure has been designed from the ground up, using the most advanced and responsible techniques to create an environment meticulously crafted down to the last detail.

Moreover, the development encourages shared experiences: a social club with a restaurant, spa, and gym; community gardens; sports facilities; and green spaces
