770m²

1,628m²

N/A

Luxury colonial-style villa with sea views in the port of Jávea. Spacious plot of 1.628m² and 770m² built area, 7 bedrooms, elevator, swimming pool and garage.

Nestled in one of the most coveted locations of this historic seaside town, this villa gracefully rises on a hill, offering breathtaking views of the marina and the expansive Mediterranean Sea. Set in an exclusive international neighborhood, the villa ensures peace and privacy, while the vibrant harbor district, with its charming boutiques, trendy bars, and exceptional restaurants, is just a short stroll away.

The elegant Levantine-style villa, perched on slender columns and facing south, features large
