Nestled in one of the most peaceful and sought-after rural areas of Mijas, just 10 minutes from Fuengirola and the coast, this lovely Andalusian finca combines authentic character with modern comfort.

The house benefits from air conditioning throughout, ensuring year-round comfort. However, the real magic happens outside: a completely flat, fully fenced plot of 10,000 m² (1 full hectare) that guarantees absolute privacy and endless possibilities - create your own organic vegetable garden, install the swimming pool you've always wanted, add a paddle-tennis court, stables... or simply enjoy the space and freedom that very few properties can offer.
