A fantastic opportunity to acquire this fantastic property located only 7 minute drive from the main road into Alhaurin el Grande. Mostly tarmac and the last 2 minutes the road is a mixture of stone and concrete it is a lovely nature getaway. The property has 3 entrances, you have a garage / workshop for one car, you have a portal entrance with a few steps down to the house level and another gated entrance where there is a carport. You have also space to park on the road next to the house.

There is an AFO in place. There is also a registered well and the trees are irrigated...(Ask for More Details!)
