Finca outside Frigiliana with fruit trees Welcome to this finca located within walking distance to Frigiliana with fantastic views and lots of fruit trees!

This house has a roof terrace, a veranda with grapevines that protect against the sun and a large plot of almost 9000 sqm with plantation.

A perfect opportunity to renovate it into the most beautiful country home!

This cozy south-facing finca house consists of an open plan living room and kitchen with fireplace, a bedroom and a bathroom.

By the veranda there is a barbecue and a storage room and on top of the house there is a roof
