A bright home with a sunny terrace and a holiday feel Step into a charming and well-planned home where light floods in from the afternoon and evening sun. This apartment offers a warm and inviting atmosphere from the first step inside, with a smart floor plan that makes the spaces feel larger than the numbers on paper. There are two soothing bedrooms, both with built-in wardrobes that provide plenty of storage and help create a harmonious and orderly home.

The living room is open and sociable, perfect for dinners with friends or quiet evenings in front of a movie. From here you reach the terrace - a private place where you...(Ask for More Details!)
