Charming semi-detached house on the ground floor with terrace and development opportunities In a quiet and pleasant area you will find this cozy semi-detached house on one level - a home that is perfect for those looking for something easy to maintain, affordable and full of possibilities. With a construction area of approximately 40 sqm and a living area of approximately 30 sqm, the home accommodates everything you need for a comfortable everyday life, while there is potential to expand and create more space according to your own wishes.

The home consists of an inviting bedroom and a fresh bathroom, and thanks to its well-thought-out floor plan, the home feels both...(Ask for More Details!)
