Energy A++ Luxury Villa - Built to the Highest Standards with Styro Stone
Unmatched Comfort. Ultra-Efficient Living. Exceptional Quality.

We proudly present this stunning Energy A++ luxury villa, currently under construction, located in the prestigious La Guardia Park in Jávea - an exclusive and tranquil area close to the award-winning beaches of Portitxol and Granadella. Designed for those who value innovation, comfort, and sustainability, this villa is built using Styro Stone ICF (Insulated Concrete Formwork), a cutting-edge construction system that ensures outstanding thermal insulation, airtightness, and structural integrity.
