Villa in Marbella

€4,400,000

5	5	391m²	1,648m²	N/A

This villa represents a rare opportunity where location, privacy, and architectural integrity come together seamlessly. Ideally positioned between Sierra Blanca and Nagüeles, in the heart of Marbella's Golden Mile, and set on a generous plot of over 1,600 m², the property offers a true sense of tranquillity while remaining moments away from the area's most iconic destinations.
Impeccably maintained, the villa achieves an exceptional balance between contemporary comfort and timeless Mediterranean character.
Originally conceived as a refined interpretation of traditional Andalusian architecture, the property has been thoughtfully updated to meet modern standards while preserving its original essence. The
