Villa in Mijas

€1,380,000

4	4	380m²	1,030m²	N/A

This villa in Mijas Golf offers something that is becoming increasingly difficult to find: space, tranquillity and privacy in an established residential setting, without sacrificing proximity to the coast and everyday amenities. Fully renovated and recently redecorated throughout, the property immediately feels warm and welcoming, with bright interiors, generous living spaces and a comfortable atmosphere designed for year-round living.

The main floor accommodates most of the home's day-to-day living areas. It features three spacious bedrooms and three bathrooms, along with an impressive double-height living room that creates a wonderful sense of space. A wood-burning fireplace, large windows and direct access to the
