This unique villa features beautiful handmade artistic elements and classic and expensive furniture. A spacious kitchen and living room with custom-made furniture are connected to an office. On the upper floor there are two suites with beautiful views.

The house has a spa area with a bathroom with a hydromassage shower, a large sauna and a relaxation area with a bar.

Large swimming pool with a beautiful garden.

There is also a basement with rooms for staff and security.

Buying this villa will be a real gift for you and your loved ones.
